

POLICY AJ– Recognition of Indigenous Lands and Peoples

The Board believes they must be part of the collective efforts necessary to strengthen relationships with Indigenous Peoples by providing resources regarding the processes and procedures to respectfully recognize and acknowledge the Indigenous Lands and Peoples.

GOALS

- To take an active role in reconciliation by providing resources;
- To support individual and collective efforts to respectfully recognize and acknowledge the Indigenous Lands and Peoples.

PURPOSE

To provide suggestions for when and how to appropriately and respectfully recognize Indigenous Lands and Peoples.
